# DR MATTHEW HOPE

## ORTHOPAEDIC SURGEON

Dr Matthew Hope is a Senior Staff Specialist in adult trauma and orthopaedics and Deputy Director of Trauma at the Princess Alexandra Hospital Brisbane. He has a special interest in foot and ankle conditions. Dr Hope also works at the new Lady Cilento Children's Hospital with paediatric trauma and foot and ankle surgery.

Dr Hope is currently the student co-ordinator for University of Queensland students in Orthopaedics at the Princess Alexandra Hospital. He takes an active role in the education and training of junior doctors. He has a background in orthopaedic research having an MD (Hons) for work on the non-invasive diagnosis of compartment syndrome. Dr Hope is currently involved in Clinical Research in Orthopaedics and takes an active role in teaching rural orthopaedics in the Pacific region.

Since re-settling in Australia in 2010, Dr Hope has been awarded a Fellowship of the Royal Australasian College of Surgeons in addition to being a Fellow of the College of Surgeons, Edinburgh. Dr Hope attained accreditation as a Certified Independent Medical Examiner (CIME) through The American Board of Independent Medical Examiners (ABIME). He has completed training in the new WorkCover Guidelines (GEPI) and is experienced with examinations concerning the 5<sup>th</sup> edition of the AMA.

With the specific experience in foot and ankle injuries, Dr Hope provides an opinion that reflects in detail the relevance of injury mechanisms and influence of pre-existing disease. Dr Hope is able to assess all general orthopaedic conditions. His services are available in Brisbane, Darwin, Melbourne and Perth.
