## **BIOGRAPHY**

Dr Gregor Schutz provides expert medico-legal assessments and reports for government, corporate organisations, legal firms and insurers. He provides a responsive, thorough service resulting in comprehensive, balanced and timely reports of the highest quality.

Some common scenarios requiring psychiatric medico legal support include:

- Personal and workplace injury claims
- Workers compensation
- Occupational stress.
- Fitness for employment.
- Insurance including total and permanent disability claims.
- Negligence.

Dr Schutz is an independent specialist for TAC and Worksafe Victoria and is accredited for the AMA Guide for the Evaluation of Permanent Impairment (4th Edition). He has delivered numerous assessments in Melbourne as well as regional areas including Bendigo, Mildura and Ballarat, and interstate. Sample reports are available on request.
