BIOGRAPHY

Dr Anna Manolopoulos is a Melbourne based Orthopaedic Surgeon who completed her undergraduate training at Melbourne's Monash University in 1991. Following this, Dr Manolopoulos concluded her Orthopaedic Surgery training in 2011. Dr Manolopoulos has completed a 2 year Trauma Fellowship at the Western Hospital in Melbourne and is part of the trauma roster for her public hospital appointments.

In 2012 Dr Manolopoulos gained her ABIME accreditation and is a certified independent medical Examiner. In addition, she is accredited to conduct TAC VIC, AMA 4 PI and Comcare assessments. Her interests include paediatric orthopaedic surgery, particularly developmental dysplasia of the hip. She is also interested in third world orthopaedics, especially work via outreach projects, as an annual commitment.
