BIOGRAPHY

ARTHROSCOPY EXPERIENCE:

Since commencing private practice in 1989, I have specialised in all forms of joint arthroscopy especially the knee.

I also carry out shoulder surgery and other general orthopaedic work.

- M.B.B.S. (University of New South Wales) 1976

- F.R.A.C.S. (Orthopaedics) 1986
- Fellow of the Australian Orthopaedic Association 1989
- Fellow of Australian Knee Society 1995
- Orthopaedic Consultant Surgeon who specializes in knee surgery and other general orthopaedic injuries 1989 – present

MEDICO-LEGAL WORK:

I carry out medico-legal consultations for various groups of solicitors. This includes carrying out motor vehicle insurance, worker's compensation and public liability reports.

I am AMA 5th Edition accredited

I would do approximately 8 to 10 reports in a week.

I have them completed within 5 to 7 working days after the consultation.
