BIOGRAPHY

Dr Ben Duke completed his medical studies at the University of Newcastle in 1999 and received his Fellowship of the Royal Australian and New Zealand College of Psychiatrists in 2008. He has undertaken further studies, including a Certificate of Advanced Training in Consultation Liaison Psychiatry, a Master of Health Administration, and a Master of Public Health.

Dr Duke is currently a Consultant Psychiatrist and Clinical Director at the Oxford Clinic in Bulimba. He has previously held Consultant Psychiatrist positions at Royal Brisbane and Women's Hospital, Princess Alexandra Hospital, Caboolture Hospital, and Belmont Private Hospital.

Dr Duke has completed the Comcare, GEPI and PIRS training, and is certified to assess permanent impairment in psychiatric injuries. His assessment specialties encompass psychiatric sequelae of brain injuries, anxiety disorders, depressive disorders, posttraumatic stress disorder, and adjustment disorders. His special interest is psychiatry in the medically unwell.
