BIOGRAPHY

Dr Quinn is an experienced Vascular Surgeon in both open and endovascular surgery. Since 2009, he has held the position of Director of Vascular Surgery at the Princess Alexandra Hospital Brisbane where he treated both public and private patients, covering the full range of vascular disease, its investigation and treatment.

Dr Quinn has also held the position of Executive Director for Surgical Affairs (Australia) with the Royal Australasian College of Surgeons (RACS) since 2005 where he has been very involved in the training of Vascular Surgeons, held the position of Chair of the Training Board in Vascular Surgery for Australia and New Zealand.

He is a past President of the Australian and New Zealand Society for Vascular Surgery and was a Councillor of the World Federation of Vascular Societies.

In January 2017, Dr Quinn was awarded Membership of the Order of Australia for "services to medicine, particular in the fields of general and vascular surgery and to professional organisations".

Dr Quinn has completed accreditation and training with ABIME (CIME) and holds AMA5.
