## **BIOGRAPHY**

A highly accredited and accomplished Oral Surgeon, Dento-Legal Professional and Health Services Executive with 22 years' operational and clinical leadership experience, supported by a substantial career in Dentistry alongside broad experience in corporate management, dental litigation, and providing exceptional clinical and organisational governance and strategic guidance.

I am a strategic thinking and output-oriented leader with highly developed people skills. My deep understanding and success in the delivery of quality clinical outcomes and my ability to communicate a vision that reaches all stakeholders sees me making a significant impact on business deliverables and Board objectives. I collaborate effectively with Executive and Board Leaders to shape and influence strategic decision-making to deliver business success.

My strong track record in commercial and strategic deliverables including exploring innovative approaches to change and driving profitable growth means I achieve the tangible transformations necessary for business development and best practice to provide effective oversight and quality governance outcomes.
