

DR NIGEL ACKROYD

VASCULAR SURGON

MBBS, FRACS, FRCS, MRCP

QUALIFICATIONS

MBBS HONS, Sydney University (1973)
FRACS (1984)
FRCS England (1978)
FRCS Edin. (1977)
FRCS Glas. (1977)
MRCP United Kingdom (1977)
Diploma of Diagnostic Ultrasound (1984)

ACCREDITATIONS

AMA 4
AMA 5
NSW Motor Accident SIRA – Medical Assessor
NSW WC – WorkCover NSW SIRA – Permanent Impairment Assessor
NSW WCC AMS – NSW Workers Comp Commission – Approved Medical Specialist,
Evaluation of PI

SUB-SPECIALTIES

Vascular Applications of Doppler Ultrasound
Endovascular Surgery

CURRENT POSITIONS

Visiting Medical Officer - General & Vascular Surgery (2018-Current)
Northern Beaches Hospital, Sydney

Visiting Medical Officer - Surgery (1994-Current)
Sydney Adventist Hospital, Sydney

PROFESSIONAL EXPERIENCE

Visiting Medical Officer - Surgery (1986 - 2018)
Manly Hospital

R.A.C.S Foundation and Vascular Surgery Research Fellow (1983 - 1986)
Royal North Shore Hospital

Senior Vascular Registrar (1982)
Broadgreen Hospital, Liverpool UK

Senior Surgical Registrar (1980 - 1981)
Hillingdon Hospital, London U.K

Surgical Registrar (1976 - 1979)
Hammersmith Hospital, London UK

Surgical S.H.O (1974 - 1975)
Hammersmith Hospital, London UK

Junior Resident Medical Officer (1973)
Sydney Hospital, Sydney Australia

BIOGRAPHY

Dr Nigel Ackroyd has a long experience of keyhole, otherwise known as endoluminal, vascular surgery. He was the first surgeon to perform keyhole (endoluminal) aortic aneurysm repair in the northern beaches area and has kept abreast of new developments in this field. Dr Ackroyd has extensive experience in the Doppler ultrasound assessment of vascular conditions and runs a busy vascular assessment clinic.

As well as vascular surgery, Dr Ackroyd has a significant general surgical commitment to the hospitals where he works. He performs keyhole hernia and gallbladder surgery as well as the broad scope of emergency surgery. Dr Ackroyd has a long experience with the non-operative treatment of varicose veins including the use of radiofrequency VNUS techniques and the latest Laser Sclerotherapy devices.

Dr Ackroyd holds accreditations in AMA 4 and AMA 5, is an Approved Medical Specialist and PI Assessor for Workcover NSW SIRA and Medical Assessor and PI Assessor for NSW Motor Accidents SIRA.
