## **BIOGRAPHY**

Dr Peter Wilkins is an Occupational Physician who has extensive experience in fitness for work and return to work assessments. Dr Wilkins has held noteworthy positions in the Royal Australian Air Force and the Civil Aviation Safety Authority. Furthermore throughout his professional career he has held positions of senior Management and has gained a broad knowledge in many different industry sectors.

Dr Wilkins interests include Spine, Upper & Lower Limb and generally in all types of occupational and environmental medical practice. He has been approved as an examiner in these areas for NSW Workcover, NSW Motor Accidents Authority, Comcare and Worksafe Victoria.

Dr Wilkins continues his work as an Occupational Physician in a private practice as a consultant and also contributes to Medico-legal work
