## BIOGRAPHY

Dr. May is a Specialist Psychiatrist with a sub-specialty in Addiction Psychiatry and Psychotherapy. He completed his Bachelor of Medicine and Bachelor of Surgery at Western Sydney University and his Master of Medicine in Psychiatry at the University of Sydney.

Dr. May has extensive experience in both inpatient and outpatient settings, providing treatment to individuals with substance use disorders and co-occurring psychiatric conditions. He has held various positions, including as a consultant psychiatrist at St Vincent's Mental Health Service and St Vincent's Drug and Alcohol Service, and as an addiction psychiatrist at Justice Health & Forensic Mental Health.

Dr. May is also involved in academic and research activities, having presented at international conferences and contributed to national drug and alcohol academic programs. Additionally, he serves as a conjoint lecturer at the University of New South Wales, where he coordinates the Stage 2 student program and supervises addiction psychiatry and adult inpatient registrars.
