

DR STEVEN YEATES

PSYCHIATRIST | MBBS, RANZCP

MINDSENSE
CENTRE OF PSYCHIATRY

Overview

Dr Steven Yeates is a highly skilled psychiatrist, holding a Bachelor of Medicine and Bachelor of Surgery from the University of Sydney and a Fellowship from the Royal Australian and New Zealand College of Psychiatrists. His professional journey encompasses a broad spectrum of specialties, including psychotherapy, mood disorders, and complex traumatic disorders, with a significant focus on psychotherapy and dynamic psychotherapy. His extensive clinical experience is supported by his current roles, which include serving as an Honorary Associate at the University of Sydney and leading psychotherapy treatments as part of the Westmead Psychotherapy Program.

Dr Yeates' professional experience is complemented by his substantial contributions to medical education and research. He has served as a Consultant Psychiatrist Staff Specialist at various medical institutions and has directed programs at Macquarie Hospital, enriching his expertise in psychotherapy and psychiatry. His commitment to the advancement of mental health is further demonstrated through his ongoing private practice and his role as a Teaching Faculty Member, where he focuses on the treatment of complex traumatic disorders.

Dr Yeates is an accomplished writer of medicolegal reports and has made substantial contributions to research in the field of psychotherapy. He is dedicated to teaching and mentoring medical students and has been associated with renowned academic institutions.
