

DR BILL DONNELLY

ORTHOPAEDIC SURGEON | MBBS, B. MED. SCI., F.R.A.C.S. (ORTH)

Overview

Dr Donnelly is a specialist hip and knee arthroplasty surgeon and, outside of clinical practice, is actively involved in medical research and education as Adjunct Professor at the Queensland University of Technology. Dr Donnelly has undertaken extensive training both locally and overseas. His practice has a strong focus on arthroplasty, reconstructive surgery of the hip and knee and arthritis, as well as a special interest in robotics and computer navigated surgery.

Dr Donnelly consults at Brisbane Orthopaedic Specialist rooms at Chermside privately and is a senior medical officer in the Department of Orthopaedics at The Prince Charles Hospital. He is also involved in ongoing research on orthopaedic conditions of the hip and knee.
