We acknowledge and respect the Traditional Custodians of the land on which we live and work, and the importance of correctly identifying Aboriginal place names.The names used in this document were obtained from reputable sources, including SBS and NITV, who in turn engaged in extensive community consultation. Please note, these names may not incorporate the entire geographical footprint and alternative spellings may exist. Always seeking to listen and learn, we welcome any feedback or further information from community. For more information on the language, social or nation groups of Aboriginal Australia, we recommend referring to the AIATSIS map.
